

# Safe Task LLC

Safety - Security - Training Development

## Your Partner For Success

ADDRESSING THE NEEDS OF INDIVIDUAL BUSINESSES AND PLANTING THE SEEDS FOR A SAFE FUTURE.

Our Team is the best solution for companies concerned with compliance and training issues. What sets us apart is our approach. We understand the cost and benefit analysis all diligent companies must follow.

### “ Real World Training Solutions For Real World Companies ”

We are authorized by OSHA and the Department of Labor to carry out training in General Industry to the 10 and 30 hour standard.

This training is given onsite to your employees in an effective and easy to understand manner. We offer a customized selection from the mandatory OSHA syllabus, and from a selection of site specific topics.

Our consultants have positions in:

- Safety
- Human Resources
- Insurance
- Operations
- Transportation
- Education.
- Security
